

**Obeying Yeshua: Heal the Sick, Raise Dead,  
Cast out Demons**

**Who can Heal the Sick?**

**Read Mark 16:15-18**

***Retell this scripture in your own words.***

***Can every believer heal the sick?***

***Should every believer heal the sick?***

***Is healing the sick part of the Great  
Commission?***

**1) Luke and Matthew 10 Movement  
Multiplication Movement**

***Read Luke 10 and Matthew 10***

***Storytell it to each other two times in small  
groups of three.***

*Briefly explain the pattern and context laid out by Yeshua to heal the sick in small group.*

*Do a short skit or roleplay to practice.*

*What attributes does a man of peace play in healing the sick?*

*How do you recognize a man of peace?*

*What are the four things you are commanded to do at the man of peace's home according to Matthew 10?*

## 2) Demonstration of Kingdom of God

*Read Luke 11:20, Acts 10:38, and Romans 8:2*

*What is the kingdom of God?*

*Is there an alternative kingdom?*

*From which kingdom is sickness according to Acts 10:38?*

***In Romans 8:2, which kingdom law was defeated?***

***How can one dispossess one kingdom to advance another in terms of healing the sick and casting out demons?***

***Is the Kingdom of God demonstrated by healing and exorcisms?***

***Explain the three verses above in your own words and how you can live these verses out with those around you.***

### **3)As a bridge for the gospel**

Read Acts 3 - Peter Heals Crippled Beggar

Retell story in your own words twice in small groups.

What did Peter do immediately after healing the sick?

What was the purpose of healing the sick according to Luke 10:20

4) It's a command, not a choice.

***Read Matthew 10:8***

***What are the four things that Jesus commanded us to do?***

***How can we obey these commands?***

***How can we make it a lifestyle?***

***Group Task: Make up a plan to obey these commands in the coming week to offer a worship offering of obedience before Yeshua.***

## Attributes to Heal Sick

### 1) Power

**Read: Luke 3:21, Luke 4:1, Luke 4:14,  
Luke 6:19**

**Briefly explain in your own words the  
above passages/stories.**

**Did Yeshua heal the sick because He  
was the Son of God, or because He  
received power?**

**If Yeshua needed the power of God to  
heal the sick even as the Son of God,  
and we receive that same power; what  
does that say about our ability to heal  
the sick?**

***Read Acts 1:8, Romans 8:11, John 7:38***

***Briefly say in your own words the story of Acts 1:8***

***What did Yeshua promise us?***

***What type of power do we already have according to Romans 8:11?***

***What can flow from our bellies according to John 7:38?***

***How can we let those rivers of living water flow from our bellies?***

***Do we need to do anything to get the power or do we already have the power of God?***

## **2) Authority**

***Read Luke 10 and Matthew 10***

***What did Jesus give the disciples to heal the sick?***

***What does authority look like?***

***How is authority practiced?***

***Read Matthew 28:18***

***Who has been given all authority?***

## **3) Grace-Oriented**

***Read Acts 3:12***

***Do we have to be holy to heal the sick?***

*Is it through our own godliness we heal the sick?*

*Do you have to wait to be righteous or holy enough to start obeying the command of Yeshua to heal the sick? Is the healing of the person you are praying for relied on by your own holiness?*

*Can you recall a time God used you despite your lack of holiness?*

*Its not by our own holiness that healing happens, but despite it!*

#### **4) Faith**

*Read Acts 3:16, Matthew 17:20, Luke 18:42*

*What is the common experience of healing here in these stories?*

*Who needs faith?*

*What does faith look like to you?*

*How much faith was needed?*

*Who was scolded for not having enough faith?*

***\*Note: Those who wanted healing from Jesus were NEVER scolded for not having enough faith. In the case that healing ministry was administered, it was always the healer that was responsible and that was scolded for their lack of faith. People needing healing were only scolded for not having faith when they outright rejected the healing ministry of Jesus and didn't allow him to pray for them (Nazareth). In modern day culture there are people who reject healing even if they allow you to lay hands on them (out of courtesy to the healer), but inside their hearts they reject it. It is up to us to discern if we are throwing our pearls before swine (those who reject it in their heart, but let us pray out of courtesy) or before people who really believe and accept the ministry of healing in Yeshua's name.***

### **Modes of Healing Sick**

#### **1) Who to Pray for?**

*a) Man of peace who needs healing or deliverance*

*b) Those associated with man of peace in need of healing or deliverance*

*c) Those accepting the ministry of healing and deliverance in Yeshua's name*

*Don't throw your pearls before swine*

## **2) Laying Hands on Sick**

*The laying on of hands is how we administer the power of God.*

*People love being touched and comforted anyways!*

*If possible lay your hands on spot that needs healing, unless it is inappropriate.*

*Its best guys with guys, girls with girls.*

*In cross-sex situations, its best to lay hands on head.*

### **3)Anointing with Oil**

*James 5:14, Mark 6:13*

*Oil is a symbol of Holy Spirit power.*

*Put oil on hands.*

*If no oil available, you can still heal sick. Although the scriptures say to anoint with oil, there are many examples of healing happening without it. Its best if we had it to use it, but if we don't, don't let that hinder you to pray for the sick.*

### **4)Commanding Sickness to Leave**

*Read Acts 3:6*

*There are no biblical examples of anyone praying for the sick. Do not address God, address the person or the sickness.*

***Group Practice: practice together commanding sickness to leave, correcting if anyone starts addressing God until the group learns how to command sickness to leave.***

***God told us to “heal the sick”, not “pray for the sick.”***

***5) What happens if they are not healed?***

***Luke 18:1-8- Widow before unjust judge.***

- a) Administer healing until healing happens even if it takes hours.***
- b) Offer to come back to administer healing again another day.***
- c) Consider the person you are administer healing to isn't a man of peace and maybe they are being polite to you, but don't really believe they can receive healing.***
- d) Try to tell more testimonies and even consider calling a person who was healed***

*before to tell their testimony on the phone.*

*e) NEVER BLAIM THE PERSON BEING PRAYED FOR! Test yourself---maybe you are too confident in your own holiness and not the grace of God. Maybe your own faith muscles needs to be built up more.*

*f) Encourage the person needing healing to learn more about Yeshua and start a seeker group*

**6.)How to make it into a healing movement.**

*Read Mark 1:21-45, 2:1-4*

*Where was the first miracle of exorcism taking place?*

*Where was the second miracle of healing taking place?*

*What became the headquarters of Jesus healing ministry after that?*

*Stories of Randeep in India and Sean in Hebron.*

*What can you do when you see an individual healing to start a healing movement?*

*Where should you throw the healing party?*

*How to help the man of peace invite his sphere of influence for a “healing party”?*

## **8.) Bridge- Building**

*Do not use Christianese.*

*Practice explaining to your unbelieving friends about healing and telling testimonies about healing without using overtly Christian terminology.*

*For instance.... In Jewish context, I tell people I can “bless them with healing” because this is proper religious Jewish terminology.*

*Among Muslim I use Surah 3 in the Quran which says that Isa has the power to heal the sick, raise the dead, and even take a clay*

*bird and breathe into it and it becomes alive.*

*Practice also commanding sickness to leave without using overtly Christian terminology.*

*9.) Be Confident Healing is Will of God, God wants to heal the sick.*

*Matthew 6:10- The Lord's will is to see His kingdom come on earth as it is in heaven. So the will of God is what is in heaven to be on earth. No sickness in heaven, no sickness on earth. This is the will of God and demonstration of His kingdom coming.*

*Matthew 8:3- There was never a moment that Jesus stated it was not His will to heal anyone.*

*Psalm 103- Who heals all my diseases*

*Not understanding that healing is the will of God can be a hindrance to our own faith to pray for the sick and the one being prayed for.*

## **3 Faith Builders Before You Pray for the Sick**

### **3 ways to build faith in one receiving healing:**

- 1) **Share Testimonies**--- have your people tell a story about how someone was healed...if possible, even call the person who was healed before and have them tell the testimony to the person needing healing.

**Revelation 12:11, Revelation 19:10, Psalm 105:5**

**2.) Give Words of knowledge**- increases the faith of someone being healed. See description of Words of Knowledge below.

**3.) Get everyone excited about** healings that already happened in the homes of Persons of Peace. Capitalize on every healing to start a healing movement at house of man of peace.

### **How to get Words of Knowledge for healing?**

It's very simple.

hear them, see them, think them, feel them

sometimes you hear a physical voice or an inner voice

sometimes you see a picture of vision

sometimes you feel a sensation or an itching in a certain body part or spot

sometimes you have a thought about a body part while you are ministering that comes out of the middle of nowhere
